Soham Gitte

B.Tech CSE @ JNEC’29 | MIT’26 CS | Tech × Design × Entrepreneurship | Building Products, Startups & What’s Next
Greater Aurangabad Area

Summary

Hi, I'm Soham Gitte, a passionate tech enthusiast, developer, Entrepreneur and creative problem-solver who enjoys turning ideas into meaningful digital experiences. I'm particularly interested in building products that are not only functional but also scalable, user-friendly, and visually engaging.Currently pursuing a B.Tech in Computer Science and Engineering at Jawaharlal Nehru Engineering College (JNEC), MGM University. I'm focused on strengthening my Computer Science fundamentals, exploring emerging technologies, and building projects that go beyond the classroom.Before beginning my B.Tech journey, I completed my Diploma in Computer Engineering from Marathwada Institute of Technology (MIT), affiliated with MSBTE. My diploma journey gave me a strong foundation in programming, web development, UI/UX design, and project development—and that's where my passion for technology truly started. Skills & Technologies: • HTML, CSS & JavaScript • Full Stack Web Development • Node.js & Express.js • PostgreSQL & Databases • UI/UX Design & Figma • Bootstrap & Responsive Design • Git & GitHub • AI Tools & Emerging TechnologiesBeyond academics, I'm focused on learning continuously, building real-world projects, collaborating with ambitious people, and exploring opportunities that help me grow as a developer and builder. Open to • Internships & part-time opportunities • Collaborations on tech projects • Networking & mentorship conversations and meaningful opportunitiesLet’s connect — maybe we’ll build something awesome together someday! Experience

Naukri Campus
Campus Ambassador
July 2026 - Present (4 months)

Maharashtra, India

CampusCrew
Campuscrew Ambassador
June 2026 - Present (5 months)

PurnaFinX
Brand Ambassador at PurnaFinX
November 2025 - Present (1 year)

Representing PurnaFinX as a Brand Ambassador — promoting financial literacy, engaging student communities, and helping build a stronger youth finance ecosystem.

JUST LOGIC SOFTWARE PVT LTD
Web Development Intern
June 2025 - September 2025 (4 months)
Chhatrapati Sambhajinagar, Maharashtra, India

During internship, I learned and worked with modern web technologies such as HTML, CSS, Bootstrap 5, Node.js, and PostgreSQL. I gained hands-on experience in both frontend and backend development, understanding how real-world web applications are planned, designed, and deployed.

As part of the internship, I developed my own full-stack project called Quick-Fix Home Services, a platform that connects customers with skilled service providers like plumbers, electricians, and carpenters. I worked on creating responsive UI designs, integrating a PostgreSQL database, and building APIs using Node.js.

This internship helped me strengthen my technical foundation, improve problem-solving skills, and understand how a complete web application is built from scratch.

Education

M.G.M's Jawaharlal Nehru College of Engineering
Bachelor of Technology, Computer Science and Engineering · (June 2026 - July 2029)

Marathwada Institute of Technology Engineering College, Satara Road.

Diploma, Computer Engineering · (June 2023 - July 2026)
